You are a senior consultant from ABC Consulting working on a cloud migration project.

Task 1:

Review the meeting notes below and create professional Minutes of Meeting (MoM) including:

- Meeting Objective

- Key Discussion Points

- Decisions Taken

- Risks/Impacts

- Action Items

- Next Steps

Task 2:

Using the MoM, draft a client-facing email that reflects ABC Consulting's values:

- Transparent and honest communication

- Client-focused approach

- Solution-oriented mindset

- Professional and positive tone

Meeting Notes:

- Weekly cloud migration deliverable is at risk.

- Unexpected resource shortage occurred due to a critical incident requiring SME support.

- Current milestone cannot be completed by the committed date.

- Team evaluated mitigation options.

- Proposed revised delivery timeline: Next Friday.

- Additional contractor resources are being onboarded.

- Parallel review process will be implemented to accelerate completion.

- No impact anticipated on overall migration roadmap.

- Client should be informed proactively.

- Goal is to maintain trust and ensure high-quality delivery.

Generate:

1. Minutes of Meeting

2. Client Email

You are a senior consultant from ABC Consulting.

Context:

A corporate client reviewed our proposal for an "AI for Business Productivity" workshop and responded with two requests:

1. A revised commercial quote.

2. Confirmation about whether the workshop can be customized for their leadership team.

Task:

Draft a professional email reply that:

- Thanks the client for reviewing the proposal.

- Acknowledges both requests.

- Confirms that leadership-focused customization is possible.

- Communicates that the team is currently reviewing the requested changes.

- States that a revised proposal and quote will be shared shortly.

- Maintains a consultative, client-focused, and solution-oriented tone.

- Ends with a professional sign-off.

Keep the email concise, positive, and relationship-focused.
